

Fort Saskatchewan Alberta

\$489,900

This Pineview bungalow in Fort Saskatchewan actually hits different. Renovated kitchen that's clean, modern, and ready for real life (not just photos), vinyl windows, and A/C to keep things comfortable year-round. With 3+1 bedrooms and 2.5 bathrooms, there's room for family, guests, or that home office you've been talking about. The primary bedroom has its own 2-piece ensuite, because sharing is overrated. Downstairs gives you extra space to spread out, while outside is where this place really shines—huge yard, massive rear deck, and endless potential for entertaining or just unwinding. Top it off with a detached double garage and you've got a solid, no-compromise home in a great spot. (id:6769)
