

9606 100 Street Peace River Alberta

\$2,500

This is a great option for the small service company to set up operations - with a 12 X 12 overhead door in the back for access it makes a very useful area for operations, The front reception area is about 30 X 25, there is a mezzanine area for small parts or general storage, a 2 piece bathroom and a kitchen area. Great location on main street with a general parking area in front. At just under 1500 sq ft of space you have an abundance of space for storage, vehicle and reception all ready for you. (id:6769)
