

Beaumont Alberta

\$539,900

Wow...if Pinterest designed a dream home in Beaumont, this would be it. Welcome to Colonial Estates, where this former Coventry show home has been completely transformed. Step inside to an airy, light-filled layout featuring a stunning white kitchen with sparkling KitchenAid appliances, quartz countertops, and sustainable Eco-Timber wood flooring (yes, it's 100% carpet-free!). Every inch has been thoughtfully upgraded with the kind of details that turn a house into a home. It's just as dreamy outside, with a fully treed and professionally landscaped yard, a maintenance-free deck, a water feature, and the sweetest playhouse you've ever seen. You'll honestly forget you're only steps from all of Beaumont's best amenities. Fully finished basement, central A/C, a HEPA air filtration system, a newer roof (2017), and absolutely nothing left to do. This is exactly the kind of homeowner you want to buy from: spotless inside and out, lovingly maintained, and full of pride of ownership. Just move in and fall in love. (id:6769)
