

9857 Beacon Hill Drive Lake Country British Columbia

\$2,690,000

Discover this architectural masterpiece by the renowned Dean Thomas Design Group and winner of the CHBA Home of the Year. Located in the premier enclave of Lakestone, this home sets itself apart with a level of craftsmanship rarely seen. Coming through the grand 10' front door, you will immediately appreciate the attention to detail. The main living space is a work of art, with custom windows to match the soaring ceilings, accentuated by a floor-to-ceiling gas fireplace, and views of the lake and mountains. The open living area continues to the dining area and provides no-step access to the pool deck and outdoor kitchen. The kitchen has been designed with both entertaining and function in mind with Miele & JennAir appliances, custom millwork, and 4" waterfall quartz counters. An expansive primary retreat feat. a gorgeous walk-in closet, private patio, and stunning ensuite with steam shower & soaker tub. The main level is finished off with add'l bedroom/office, full bathroom w/ tile shower, and powder room with Japanese ash wood vanity. The exposed-tread staircase leads to the bright lower level. From the sensational glass wine cellar, fully featured wet bar, and games/family room with dedicated covered patio, there truly is room for everyone. Finishing off this level are two more bedrooms, full bathroom, and generous storage area. The 4 car garage is ideal for boat or RV - a rare find in Lakestone. Inspired design & craftsmanship, and now offered well below appraised value! (id:6769)
