

DL 2711 Okanagan Mountain Park Other Kelowna British Columbia

\$3,299,000

A truly rare opportunity to own 8.8 acres of Okanagan Lake waterfront with roughly 2,000 feet of pristine waterfront! This acreage is accessed only by boat and is located in the Scroggins Creek area directly across from Peachland and N/E of Rattle Snake Island. Featuring three secluded bays with clean and clear water plus several flat spots available for building on this RU3 zoned property. It would be an amazing location for a private estate or cottage. Okanagan Mountain Park borders the South and East making this a very private and special offering. A permitted dock has been partially constructed and is in process of being completed. The owner even has a water licence for lake intake. May look at vendor financing to qualified Buyers on this very special place on Okanagan Lake! (id:6769)
