

Estevan Rm No 5 Saskatchewan

\$115,000

Here is an opportunity to own an acreage close to the city, at a great price. The property has plenty of potential with some elbow grease and TLC. The location is just a five minute walk from the water's edge of Rafferty Dam and is just a 13 km drive from the edge of Estevan. This 2.0 acre parcel offers a 2,296 square foot home, with a full basement, and originally built as a church. On the main level, there is a large entry way, huge living room with of course cathedral ceiling, a large dining area and kitchen, and a full bathroom. In the basement you will find 5 bedrooms plus another bathroom. Why not come check out what this great little acreage has to offer. (id:6769)
