

# Forest Road Winlaw British Columbia

\$169,000

Unique parcel of land not to be overlooked! Priced below assessed value! 1.13 Acres - feels like much more due to the elevation change and the shape of the parcel. You have a lovely large open space off Forest Rd with views of Frog Peak, then down the built access road you get a lower section of land that shares a border with Winlaw Creek. Water is available through a shallow well. Bring power to the property, an RV or Tiny home, or start building! No Zoning. Open to foreign buyers. Bring your ideas and finally buy that slice of land in the beautiful Slokan Valley that you've always wanted! (id:6769)
