

lot 1 Copper Creek Rd Road Kamloops British Columbia

\$339,900

20.74 acres just minutes from Red Lake with the hard work already done. A drilled well, power pole with electrical panel just waiting to be hooked up, and approved building location mean you can hit the ground running. Welland Creek winds through the property and multiple haying and grazing fields offer plenty of room to farm, run livestock, or simply enjoy wide open space. Whether you're after a hobby farm, working acreage, or a private rural retreat - this one checks all the boxes. Properties like this don't come available often.
