

Lot 21 Tyndall Road Lake Country British Columbia

\$879,000

Step into Tyndall Bench, a premier lake view community set above the shores of Okanagan Lake in Lake Country, where sweeping terrain, mature woodland, and long water views define the landscape. The community is built around an active, outdoor lifestyle, with trails winding through protected green space and nearby lakes offering swimming, boating, and recreation. A short drive brings residents to Kelowna, celebrated local wineries, and everyday amenities, keeping convenience close at hand without compromising the sense of quiet retreat. Lot 21 pairs a well-graded walk-out profile with beautiful lake views to the south, a combination that lends itself to a variety of thoughtful home designs. The lot's generous proportions allow for creative approaches that take full advantage of the natural slope, with lower-level living spaces designed to open directly onto the rear yard and the views beyond. Its position within the walk-out collection also keeps residents close to the community's multi-use trail, encouraging an active, connected lifestyle. Bring your own builder or ask about pre-approved options, with all builders required to be approved to uphold Tyndall Bench's design guidelines. Incentives are available for builders purchasing multiple lots, with flexible build options, including the potential to begin construction prior to closing. Please inquire with the Listing Agent for full details. (id:6769)
