

Lot 23 Tyndall Road Lake Country British Columbia

\$850,000

Situated above the shores of Okanagan Lake in Lake Country, Tyndall Bench is a remarkable lake view community defined by gently sloping terrain, natural forest, and sweeping water views. The community centres around an active, outdoor lifestyle, with trails, protected green space, and nearby lakes offering swimming, boating, and recreation just moments from home. Everyday convenience is never far away either, with Kelowna, favourite local wineries, and essential amenities reachable within a short drive. Lot 23 is a walk-out homesite offering excellent lake views paired with a desirable south-facing exposure. The walk-out grade here is well suited to creating a two-level living experience, with the lower level functioning as a bright, view-oriented extension of the main home. Residents will also find themselves close to the community's multi-use trail, supporting an active, walkable way of life. Bring a preferred builder or inquire about pre-approved partners, with all builders subject to approval to preserve Tyndall Bench's design vision. Incentives are available for builders purchasing multiple lots, with flexible build options, including the potential to begin construction prior to closing. Please inquire with the Listing Agent for full details. (id:6769)
