\$1,100,000

This is a once-in-a-generation opportunity to secure acreage on one of the South Cariboo's most coveted and enduring lake systems. Set along the pristine shores of Sheridan and Staley Lakes, this exclusive subdivision offers some of the last truly significant waterfront and lake-adjacent parcels ever to come to market in the region. Each lot exceeds five acres and is defined by mature forest, exceptional privacy, and a gently winding access road that enhances the sense of arrival and seclusion-while remaining just minutes from the Interlakes community. Lot 3 is a rare south-facing waterfront parcel on Sheridan Lake, offering generous acreage, excellent sun exposure, and direct lake access. A balanced mix of forest and open areas provides flexibility for building placement while preserving privacy and expansive lake views. Enjoy world-class fishing, clear waters, and outstanding recreation in a quiet, natural setting. (id:6769)
