

Lot 36 Tallington Drive Celista British Columbia

\$175,000

Nice flat building lot in Meadow Creek Properties. With no time commitment to build you can buy now and hold for future use. Recreational use is also permitted, so it can be used until you build later on. With this property you can also join the Meadow Creek Properties Association for a small yearly fee. This would give you access to 1600 feet of beach, boat launch and dock for loading and off loading. Beach access is a short 2 minute drive away. This property is located close to the Elementary School where the students can attend from Kindergarten to Grade 8. This lot has a lot of potential and is in a great location.
