

3177 Hilltown Drive Lot 9 Kelowna British Columbia

\$389,900

Great opportunity to build on this walkout lot in the sought-after community of McKinley Beach. This building lot offers peaceful views of Arrowleaf pond, the forest and hiking trails, and Okanagan lake. It is well suited for a modern two storey walkout home and GST has already been paid making it even more attractive. Located in the master planned community of McKinley Beach overlooking Okanagan Lake, the neighbourhood is known for its quiet hillside setting and strong connection to nature. A network of evergreen hiking trails runs throughout the community and begins just steps from your door, making it easy to get outside for a walk, meet neighbours, or take your dog on the trails or to the new community dog park close by. Residents get to enjoy access to a 1,000 metre stretch of beach along the lake that is perfect for swimming or a picnic and can get access to the private marina for an extra cost. The community also features an amenity centre with a pool, hot tub, sauna, fitness facility, outdoor gym, pickleball courts, a tennis and basketball court, playground, community gardens, and outdoor gathering areas with BBQs and green space designed for residents to connect. Azhadi winery and restaurant is now open as well. Enjoy a peaceful setting along with a convenient location being approximately a 10 minute drive to University of British Columbia Okanagan, Kelowna International Airport, and Lake Country, and about 15 minutes to downtown Kelowna.
