

Moncton New Brunswick

\$84,900

Attention builders/developers! In speaking with an official at City Hall, this lot may be able to be divided into two, and then be able to construct two separate 4-unit buildings, depending on design, without needing to seek a zoning change to R3. It's definitely something to consider. This lot would also be a great location for a new single family home. The choice is yours. Please contact your REALTOR(R) for more information. (id:6769)
