

SL 7A HIDDEN BASIN Nelson Island British Columbia

\$289,000

Here's your chance to be apart of something special. Looking for a piece of land to enjoy the outdoors year round? Then this is it. The 4.4 acre parcel has an engineered septic field, shallow well and cabin all set up. Perched at the top of Hidden Basin on Nelson island the lot has huge ocean and mountain views. Ample sun charges the solar panels for year round power. The property even has high speed internet (if you want it...). Access is by boat to a communal dock at the waters edge of the sub division. Nelson Island is primarily a recreational island with a few full time residents. Explore the trails, hike the mountains, paddle board the calm bay or go catch a fish. It's your choice. Come see what being on "island time" is all about. Once you stay for a while you won't want to leave. (id:6769)
