

## 6478 Renfrew Court Peachland British Columbia

\$209,999

Renfrew Court is a small, private cul-de-sac just off Renfrew road with incredible lake views that sweep from Kelowna to Naramata. This one of a kind lot is located just minutes from downtown Beach Ave in sunny Peachland. The lot has recently had a major facelift with over 60 loads of fill removed and a gradual driveway built to make your future building site ready to go! There is no timeline to build or active building scheme and the city guidelines allow for a modular home on this site. Take your time and design the home of your dreams! This small friendly community is fabulous for an avid outdoor lifestyle. Drive by yourself, walk the lot and picture yourself in this quiet serene location on your future deck!!
