

1863 Horizon Drive West Kelowna

\$1,390,000

STRAIGHT FROM A MAGAZINE!!! The stunning updates match the stunning lake & city views. No expense has been spared on this family home, with over \$200,000 in beautiful & tasteful updates. The extensive list of updates is available through the Listing Agent (too many to fit in this information section). The home & pool-sized yard are both fun and functional. The home is easily suited, with roughed-in plumbing in the recreational room. The City of West Kelowna also supports Carriage Houses. The main floor includes the gorgeous kitchen with skylight, updated appliances, large laundry/mud room off the garage, a dining room with linear fireplace opens to the expansive deck. The family room with fireplace showcases the amazing views. There is also a large bedroom with ensuite, living room, main bath, 2nd bedroom, & den on the main floor. What can only be described as a "Dream Primary Bedroom" comes with a custom walk-in closet opens onto the spa-like ensuite. This bedroom opens to a covered patio with hot-tub. There is a 3rd bedroom (used as a GYM), 4th bedroom, a full "Harry Potter" bathroom, plus a large recreational room on the lower level. There is also an oversized garage with car-charger, plus RV parking, a dog-run, and a wonderful play structure on a separate deck to take advantage of the incredible views. You can even watch the Canada Day Fireworks right from your home. Don't miss out on this incredible home and property, you will not be disappointed.
