Great family homes are common place in the Upper Mission. This one however, is unique, just take a look at the photos and see why. A luxurious 4587 square foot contemporary home with up to 6 bedrooms and 4 bathrooms with a lush PRIVATE backyard complete with a salt water pool and pool house with bathroom doesn't come up every day. This home was extensively renovated in 2019 by Begrand-Fast Design with entertaining in mind. A beautiful engineered hardwood lays the groundwork on the main level with 9 foot ceilings elevated to 12 feet in the living room capturing views and light. The automatic sunshades add convenience and style, a large open concept kitchen/living space is great for entertaining and the built in speakers, a butler's pantry and free standing Dekton covered fireplace all add to the flowing design. The kitchen was extravagantly designed with Castello custom cabinets, Dacor appliances as well as Dekton countertops and backsplash. The basement level has an oversized tile floor with a big family room in the center of three large bedrooms, one bathroom with infrared sauna and storage space. This home is complete with a two car garage with epoxy floors and 220 amp plug in for EV's. This thoughtfully designed Upper Mission house is ready to make your dreams come true. Take a closer look today. (id:6769)
