

8 EAGLE Street Kitimat British Columbia

\$354,900

This is a super cute and cozy storey and a half home has been fully renovated right down to the studs in 2013 with all new plumbing, electrical, insulation, everything! On the main floor there is a large galley kitchen with dark wood cabinets and heated tile flooring along with loads of storage space, and the spacious living room overlooks the private back yard. There are 2 bedrooms and a full bathroom (again with heated tile floors!) to finish off the main floor, and upstairs are 2 more generous bedrooms along with another full bath. The workshop out back is a perfect man cave or she shed, and there is access along the side of the house to drive a boat or an RV to the back for safe keeping! This home is definitely worth a look!
