

100 Las Palmeras Riviera Nayarit

\$2,800,000

Perched on a lush hillside across the street from the sand and overlooking the great Pacific, sits Casa Cien, an architectural marvel without the pretentiousness of modern design. In line with the sense of San Pancho, it is a unique and whimsical custom home which redefines laid back luxury. It is upscale with an elevator, walls of windows and private theatre, yet relaxed with an extensive basement including a gym and bar for a game room, kid zone or extra living quarters. The architecture compliments the views and the home is perfect for entertaining with a great room that opens up to the infinity pool overlooking the beach and ocean. It has an office and 3 en suite bedrooms, one of those being a generous master bedroom with soothing sunset vistas. Built in the quiet and coveted
