## 18A Selva Azul Riviera Nayarit

\$2,650,000

Casa de las Aves is a 3-bedroom architectural sanctuary designed to disappear into the lush jungle of San Pancho. Elevated to protect the land and surrounding wildlife, the home offers effortless single-level living with seamless indoor-outdoor flow. Interior courtyards fill the spaces with soft natural light, fresh breezes, and moments of stillness. A heated saltwater pool completes the private retreat experience. Natural earth-toned concrete, Tornillo hardwood from Peru, and Oyamel wood from Michoacan create a refined yet organic aesthetic, chosen for both beauty and performance in the tropical climate. Steps from La Patrona Polo & Beach Club and moments to Mandarin, this is quiet luxury defined by harmony with nature.
