"Casa Bonita" seamlessly blends contemporary architecture with charming Mexican flair. As you walk through its main corridor, you're greeted by beautifully illuminated open-concept living spaces adorned with vibrant, enchanting colors that harmonize perfectly with the stunning lush jungle surroundings of the Amapas hills. "Casa Bonita" stands as the largest north side unit in the building, offering breathtaking views of the tranquil lower grounds of the complex. This includes an enjoyable jacuzzi, BBQ areas, and lush green gardens. Seaview Residences also boasts a rooftop deck with a bar, sunbathing areas, and poolside spaces, providing divine ocean and town views that captivate and enchant.
