

210 Vicente Guerrero Puerto Vallarta

Airport

\$950,000

Casa Cascada -- a one-of-a-kind, beautifully updated mixed-use residence located in Puerto Vallarta's established Guadalupe Victoria neighborhood, just minutes from the Puerto Vallarta International Airport. This distinctive property marries character and function to create an intimate, high-end retreat. Thoughtfully reimagined by an international designer, the home offers 8 bedrooms, 6 bathrooms and approximately 6,994 sq. ft. of living space across generous, luminous rooms. Warm sand and earth tones, hand-selected tile and custom finishes flow throughout, creating a cohesive, calming environment that feels both elegant and lived-in. Every detail was considered to deliver a spa-like atmosphere--private, serene and deeply inviting.
