

Casa del Parque es una casa privilegiada dentro del fraccionamiento Las Ceibas, similar a muchas mas PERO una de las pocas ubicadas frente a un parque. imagina abrir tu puerta y al cruzar la calle, la naturaleza te encuentra. Pocas como esta. ///Casa del Parque is a privileged house within the Las Ceibas subdivision, similar to many others BUT one of the few located in front of a park. Imagine opening your door and as you cross the street, nature finds you. Few like this.
