

MLS Vallarta Nayarit Compostela

140 Paseo del Marlin 3 Puerto Vallarta

\$429,000

This is one of only four units in a small, quiet building in Las Gaviotas -- a residential neighborhood that's become one of the best-kept secrets in Puerto Vallarta for people who want to be close to everything without the noise of the tourist zones. The condo has 2 bedrooms, 2 full bathrooms, an open kitchen and living area, and its own laundry room. There's a garden and a terrace out back, good for your morning coffee or just having a spot outside that's actually yours. One deeded parking space comes with it. With just four families in the building, it feels more like a house than a condo. You're a short walk from La Comer and Costco, local businesses and minutes away from the beach and downtown.
