Casa Tlaloc, Unit 5 Monte Rosa (Sayulita, Nayarit) The North Side of Sayulita, with its incredible tranquility and its proximity to downtown has it ALL. This turn-key two-bedroom, two-bathroom condominium is located one block from the beach in one of the most desirable complexes in the area, MONTEROSA. The unit also comes with solar panels, which helps with the cost of electricity. With 1658 sqft, Casa Tlaloc provides enough space to enjoy full-time living in this magical destination, or to rent in today's market and generate extra income. Monterosa is a well-run and maintained complex built in 2016 with lush landscaping, an infinity pool, and a tennis court. It is undoubtedly an attractive option in Sayulita.
