

971 Bolivia 5 Puerto Vallarta

Centro North

\$1,199,000

Perched on the hillside just above downtown Puerto Vallarta, this one-of-a-kind penthouse offers breathtaking, unobstructed 180-degree, bay and city views in an exclusive boutique setting. Step inside and be captivated by the custom-designed, curvilinear kitchen, a true architectural statement with handcrafted hardwood cabinetry, premium appliances, and granite countertops. A sophisticated bar seating area enhances both function and style. The grand living and dining areas exude timeless sophistication, framed by vaulted ceilings and exquisite cupolas adorned with hand-blown glass chandeliers. These spaces flow seamlessly onto a full-length, covered terrace, ideal for entertaining or quiet relaxation.
