

## 55 Penon de Gribaltar Puerto Vallarta

\$123,699

Lote con amplia posibilidad de tener vista al mar. Pendiente pronunciada, no ofrece vista limpia al mar, pero es viable podar los arboles. Uso de suelo habitacional. Lote cuadrado. Hay que solicitar la coneccion a los servicios basicos como agua, CFE, y drenaje de la ciudad. A lot with excellent potential for an ocean view. It has a steep slope and currently it has an obstructed view of the sea, though trimming the trees would make one feasible. Zoned for residential use. Square-shaped lot. Connections to basic utilities--such as water, electricity (CFE), and city sewage--must be requested.
