Where the Jungle Meets Opportunity! Casa Mangala, a unique property nestled in the lush jungle and surrounded by mango trees, located in the tranquil town of Las Lomas. It is five minutes away from charming San Pancho or Lo de Marcos and two minutes to one of the most coveted and elusive beaches in all of the Riviera Nayarit. The luxury destination, the One and Only Mandarin, chose a similar beach just a few miles down the coastline for their impressive, extravagant resort. Whether you're looking to live in harmony with nature, create an eco-retreat, or develop your own project, Casa Mangala offers the perfect canvas. The land breathes possibility, a sanctuary for creativity, wellness, and connection with the earth.
