Nestled amidst lush tropical vegetation, Villa Entre Palmeras is a sanctuary of tranquility and refined design. This two-story retreat invites you to experience the perfect harmony of natural beauty and cultural sophistication inside the Amanpur Eco Living gated community, in the beach town of Barra de Navidad. Built on a generous 440 sq meter lot--more than double the size of the average homes in the area--this villa offers ample space and privacy. Ground Floor: Open EleganceStep into an open-layout space where every detail whispers serenity. The living room, kitchen, dining area, and an inviting open bedroom are seamlessly connected, all adorned with white wood and fine blue accents that echo the charm of Greece.
