Flamingos

\$498,000

The expansive golf course greens and tropical forest that surround this 2154 square foot, three-bedroom condominium in the long stretch of Flamingos Oceanside form a picture-window 24 hours a day. They are the sight of the glowing sunrise from the master bedroom, over coffee, dinners and gatherings from its two beautiful terraces. Flora and fauna abound. This warm and nicely furnished residence has two spacious bedrooms with ensuite bathrooms located on the main level while the principal bedroom is laid out as a suite perched on the top level of the building. It has an large ensuite bathroom with a gorgeous soaker tub that flank the large rooftop terrace, with all these spaces also overlooking the greens. Function and convenience abound with a well-arranged kitchen..
