Punta de Mita

\$875,000

This three-bedroom bi-level penthouse is located within the prestigious Mision de Mita development, ideally positioned at the gateway to Punta Mita with immediate access to world-class surf, swimmable beaches, and vibrant coastal energy. Designed for refined coastal living, the upper level is oriented to capture ocean views of the Bay of Banderas from the living area, kitchen, and expansive covered terrace, creating a striking backdrop for both everyday living and entertaining. This level unfolds into an open-concept living space with a well-appointed kitchen and open areas that flow seamlessly outdoors, where the ocean views are complemented by the interior's elegant design.
