

481 Francia T3 401 Puerto Vallarta

Francisco Villa West

\$400,000

MLS Vallarta Nayarit Compostela

This wonderful condo located just a block from Costco with 3 bedrooms, 2 bathrooms provides a great place to call home or rental investment. The center of Puerto Vallarta near many restaurants and bars it is a low density project with only 34 condos. Lots of green space around the outdoor pool rounds out this impressive project. Built from concrete and primavera woods is bonus!
