

763 Kamloops Avenue 101 Penticton British Columbia

\$449,000

This is a sweet little starter home close to all amenities in an area that is continually evolving into a gorgeous, modernized area. The home is ready for a young family with the vision to turn the home into their own little sanctuary. It's a 3 bedroom, 2 bath home that would rent out very quickly and could be the first step toward a great real estate portfolio. Let's face it, you can barely by a condo for this money. Have a look, I don't think you will regret it. Current owner has removed some flooring in an effort to do some upgrades but chose to leave the replacement up to new owners. (id:6769)
