\$249,000

Seafood Market & Supplier in West Kelowna located in a high-traffic shopping plaza with prominent anchor tenants, this well-established seafood market and supplier has been a trusted local favourite for over 15 years. With consistent annual sales surpassing \$800K, this business offers a stable income with significant potential for growth. The facility is fully equipped with a commercial kitchen, walk-in freezer and cooler, and ample space for inventory and food preparation. Operations are streamlined and require just two staff members to manage daily tasks, thanks to efficient systems and comprehensive training.
