

12474 Greystokes Road Kelowna British Columbia

\$1,399,000

A truly unique opportunity to own a river front acreage only minutes to Kelowna! 12474 Greystokes is a 6.15 acre parcel that is divided in two by Mission Creek. The smaller parcel is accessed by Three Forks rd and has a large shop, 200 amp power and would be a great spot for Yurts or RV spots. The larger parcel is at the end of Greystokes rd, has a winding driveway with plenty of flat usable spaces. Once into the property you are greeted with the renovated 2300 sqft home, it has 3 bedrooms and 3 full bathrooms. Under the deck is a newly finished flex space which would be great for a yoga studio or anything really, it has a door big enough to get a side by side or ATV into it and now has heating and cooling by way of a ductless split system. There is a massive insulated shop and even a guest cottage on the property with a beautiful swim pond that must be seen. This is a really unique opportunity to own a special property close to town but miles away from all the stress of day to day life. Lots of potential and flexibility for someone with a creative vision! (id:6769)
