

1932 INGLEDEW Street Prince George British Columbia

\$79,000

Here is a great opportunity to build on a lot near Lheidli T'enneh Park. Lots in Millar Addition are rare indeed. This lot is zoned RS4 which allows for high density housing. The new provincially mandated zoning allows for 3 units to be built within this area. Surrounded in old character homes and there is a new house across the street. Bring your ideas! (id:6769)
