

2330 McKenzie Street Penticton British Columbia

\$569,000

Cozy renovated home set on a large .19 acre lot. Very convenient location with only a 2 minute walk to Cherry Lane Mall, and plenty of amenities nearby. This would be a terrific home for seniors looking to downsize to a smaller home and want a yard or garden. How about making a move from a condo to a house with a yard. All living space is on one floor and includes living room, kitchen, 2 bedrooms and one full bathroom. The living room has a gorgeous brick fireplace and a scenic mountain view. The kitchen has been upgraded with butcher block counters, white tile back splash and stainless steel appliances. French doors open up to the huge backyard and there is a single garage that could also provide extra storage. While the backyard is currently fenced off at the back, lane access is also possible and current zoning allows for options that may appeal to those looking for a long term investment. (id:6769)
