

330 Feathertop Way Big White British Columbia

\$899,000

This is the last best lot in Feather Top. Why the best? Unbelievable ski in and ski out, large enough to build the chalet you want, and the views of the Monashee Mountains are spectacular. Have a look for yourself and see what we mean. This seller bought this outside lot years ago and just never did anything with it. It's time to sell and you can be the recipient. Look at the neighbourhood, look at the house next door and then think about the family memories you could build. There are plans available for a 3000sqft home, but if that is not to your liking, build what you want- and, you can bring your own builder. All services are at lot line and the strata fee is only \$90 per month. FeatherTop is the premier neighbourhood at Big White for location and quality of homes. This is the last outside big lot with views for sale, so go for a drive and have a look and see where your family could spend winters for seasons to come. (id:6769)
