Steeves Mountain New Brunswick

Warmth. Charm. Comfort. Coziness. Character. Home. - All very fitting words to describe this absolutely wonderful, recently updated property resting just on the outskirts of the Moncton. A rural setting yet only ~15min from everything the Greater Moncton Area (GMA) has to offer. 3.14 acres, this newly updated home checks off a lot of the boxes most families would have. Recent updates include: a ducted heat pump; new windows, siding, metal roof and paint. The attic and basement can easily be finished to provide you with even more living space! Enjoy the pictures and walk-through. (id:6769)
