UPDATES UPDATES UPDATES! You're going to want to check out this great 3 bedroom 2 bath home which has seen a major overhaul inside. The pictures tell the story but you'll be impressed with the amount of workspace in the kitchen with all of the counter and cupboard space. Updated appliances and light fixtures throughout as well! The layout is very open and inviting. The primary bedroom is a nice size and the full 4 piece ensuite also doubles as a walk in closet! Two other bedrooms, main bath with full sized tile shower and separate laundry room round out the inside. Outside, there is a newer metal roof and rear deck plus a bonus detached 24' x 30' wired and heated workshop. The yard is huge, backs onto JS Clark school and is mostly fenced. See it for yourself!
