

525 WHITEBOTTOM Road Terrace British Columbia

\$280,000

* PREC - Personal Real Estate Corporation. Surrounded by beautiful mountain views, this property is just over 67 acres. The possibilities are endless here. First time to the market, the current owners have owned this property for many, many years. In the past they have raised cattle, chicken, pigs and other animals on the land. There is also a natural growing peat moss field on the property, perhaps with potential to do something further with that. The owners have said that the property has not flooded as far back as they can remember and there is an even higher section where there are some older buildings, a cabin & barn. Down the road there is an older home on the property. This property would be great for a hobby far or build your dream home. This property is accessed from Whitebottom. Buildings have very little value. (id:6769)
