

8010 Graystone Drive Coldstream British Columbia

\$1,599,000

This thoughtfully crafted home offers ample luxurious living space, and breathtaking views of the lake and mountains. It features 3 bedrooms and 3 bathrooms, including a spacious master suite with an impressive ensuite bathroom and large walk-in closet. Floor-to-ceiling windows throughout the home frame the spectacular views and flood the interior with natural light. The open-concept main floor is designed for both style and functionality, with a gourmet kitchen featuring stainless steel appliances, a large kitchen island perfect for meal prep and casual dining, and a generous living area ideal for entertaining. Additional highlights include a dedicated home office, an oversized triple garage with a tandem bay, and a convenient elevator for easy access across levels. Outside, the property offers an idyllic retreat with a large, covered deck, a hot tub overlooking the lake, a fully fenced yard with an in-ground pool, and a sundeck perfect for sunbathing and relaxation. Modern design elements, including vaulted ceilings, hardwood floors, contemporary fixtures, and light-filled interiors, create an atmosphere of elegant comfort throughout. Located a short walk to the rail trail and public beach access. (id:6769)
