

763 Kamloops Avenue 101 Penticton British Columbia

\$449,000

This is a fantastic income property or first time buyer opportunity. It has just had the lions share of the home repainted and new flooring. Located close to everything -yet nice and private. With many homes in the immediate area being new builds, the potential for it's value to increase is great. You have to have a close look at this home before you choose a condo for the same price. No strata fees or rules and regulations. It's a great home to park your hard earned money. (id:6769)
