

687 Victoria Drive 103 Penticton British Columbia

\$619,000

Introducing 687 Victoria Drive -- a newly built, high-quality fourplex that blends modern design, energy efficiency, and affordability. Thoughtfully crafted by Parallel 50, one of the South Okanagan's most reputable design-build firms, this project reflects their impeccable track record for excellence. Each 1,439 sq. ft. home offers a thoughtful layout with three bedrooms and two and a half bathrooms and is centrally located to walk or bike to the heart of Penticton's amenities and Okanagan Lake. Quality finishes include quartz countertops, a designer kitchen with full-height quartz backsplash, and durable luxury vinyl plank flooring throughout. Standout features at this price point include a spacious primary bedroom with an ensuite and walk-in closet, plus a dedicated mudroom/laundry with a second entrance. Built with sustainability in mind, these homes meet Zero Carbon Code standards, are solar- and EV-ready, and achieve British Columbia Step Code 4 -- exceeding standard energy efficiency requirements. An easily accessible crawl space provides valuable storage, a rare benefit in a multi-family home. Affordable strata fees and a low-maintenance yet charming exterior make this an attractive opportunity. First time home Buyers may qualify for a rebate for the total GST applicable on the sales price. Buyer to verify and obtain professional advice. Estimated completion: June 2025 (id:6769)
