

# 1815 FAIRFORD DRIVE Penticton BC

\$719,900

This charming 2 bedroom bungalow has undergone a stunning renovation and is move-in ready! Modern finishings include engineered hardwood flooring, stunning new kitchen with quartz countertops, soft-close custom cabinetry and full stainless steel appliance package. The bones of this solid, cinderblock home have been brought into the present day and now features hardieboard exterior, as well as a new furnace and a/c. Interior touches include lovely exposed brick chimney, live-edge wood detailing on window sills and fireplace mantle and bright 4 piece bathroom. Builder is putting the finishing touches on the home and open to conversations about customizations with a prospective buyer about potential option to plumb in basement bathroom, and choices of a few remaining finishing items. The lot at the back of this property (1812 Quebec Street, MLS 201489) is also offered for sale so this property offers unique opportunity for investors/builders.
