Welcome to this beautifully designed modern home in Wilden with valley views and a 2 bedroom legal suite! You can walk right out to the huge pool sized backyard from the main level- perfect for entertaining, relaxing, or letting the kids and pets run free while still being able to keep an eye on them. The layout is perfect for families with 3 bedrooms and 2 full bathrooms on the main floor, and a modern farmhouse vibe throughout. The home features an open concept layout with a gorgeous kitchen complete with a gas range, and a cozy gas fireplace in the living room adds ambience. The spacious primary bedroom has a mountain view and a lovely en-suite with a huge walk in glass shower. A double garage with a laundry/mud room complete this floor. Downstairs, there is another bedroom, full bathroom, and a rec room with storage. The 2 bedroom legal suite has its own entrance (or can be accessed through the home) and is bright and has additional soundproofing for privacy. The fully fenced yard is pre-wired for a hot tub, gets sunshine all day, and even has a gate that leads to the nearby hiking trails.
