

2720 Salmon River Road Salmon Arm British Columbia

\$1,549,000

This 160-acre farm in the fertile Salmon Valley offers the ideal setup for agricultural or mixed-use operations. With a productive mix of alfalfa fields, fenced pasture, and natural forest, this property is ready to support livestock, hay production, or a custom farming venture. The land is perimeter fenced with some cross-fencing already in place. Several outbuildings support a variety of uses: a Quonset-style workshop, detached shop/garage, barn with hay and equipment storage and a box stall, plus a wired and insulated cold room (cooling compressor-ready), storage/craft space, and a root cellar. The 4-bedroom, 2-bathroom farmhouse has been well cared for and features a large living room and a modern kitchen (updated in 2015). A spacious covered deck provides a relaxing spot to unwind after a day's work. Major updates including the roof, siding, windows, and deck were completed between 2007-2010, making the home move-in ready. With plenty of space, infrastructure, and versatility, this property is ideal for farmers, ranchers, or those looking to develop a self-sustaining rural lifestyle. Don't miss this opportunity to own a beautiful property in one of the Shuswap's most sought-after agricultural regions. (id:6769)
