Charming Riverdale bungalow tucked in nicely on a corner lot has been home to original owners and their family members. It is now time for a second family to love this home. The open concept layout is fantastic. With lots of windows this space is bright. The kitchen, dining and living room are family friendly and offer plenty of room for an oversize dining table and loads of seating in the living room. The kitchen was renovated in 2019. The cozy primary, two secondary bedrooms and 4 pce family bathroom complete the main level. The lower level rec room is where the big fun happens with room to host mini-hockey stick tournaments, lounge as a family for movie night, games night and more, and host the biggest sleepover ever. A very functional laundry/utility area and two additional generously sized rooms are ready for whatever configuration your family desires. The front yard is landscaped and the back yard is fully fenced, landscaped and has a small shed. Call to book a viewing. (id:6769)
