\$1,098,900

A cherished family home tucked at the end of a quiet Glenmore cul-de-sac--central, peaceful, and truly welcoming. This is the kind of property families hope to find: warm, versatile, and designed for years of memories. Offering 4 bedrooms with the option to easily convert back to 5, the floor plan adapts beautifully as children grow, guests stay, or lifestyles evolve. The main level centres around a gorgeous, timeless kitchen in an open-concept layout--an ideal hub for gathering & entertaining with effortless flow to the backyard. Out back, the yard becomes its own private retreat. A heated in-ground pool with a waterfall sets the tone for summer days, complemented by a custom pergola, multiple seating zones, and an outdoor kitchen built for hosting. It's a rare oasis--private, sunny, and set on a 0.20-acre lot with modern carriage-home plans already on file. The groundwork is done--making this one of the most straightforward, turn-key opportunities for added value, multi-generational living, or future income potential in the area. Homes like this don't come along often: a central Glenmore location, a quiet cul-de-sac, outdoor living that feels like a resort, and significant future potential. This property has been loved deeply and lived in fully. Now, it's ready for its next chapter--and the family who will write it. (id:6769)
